Hi all—

I wanted to thank everyone for pitching in to get the revised draft AOC back to the company last night well in advance of our 8/25/15 call. Thanks!

Mr. Otis:

Thank you again for meeting with EPA on August 5, 2015, to discuss the proposed Administrative Settlement Agreement and RI/FS Work Plan. We appreciated the site overview provided by CFAC's consultant, the site tour, and the opportunity to discuss the proposed Administrative Settlement Agreement.

Attached please find EPA's revised redline version of the draft Administrative Settlement Agreement. I have attempted to capture in bubble comments the items that needed further consideration by the parties as well as EPA's updated positions on a number of outstanding issues. I checked with Headquarters, and was informed that there is no new publicly available model AOC for RI/FS which I can share with you at this time. Headquarters expects to release a new model later this year.

I look forward to speaking with you on August 25th. If you have any questions about the attached revised redline version in the meantime, please do not hesitate to contact me before our August 25th call.

I hope you enjoy the rest of your week off.

-Mark
